# Dental Assistant Certificate

MODALITY OFFERED: TRADITIONAL

This program familiarizes students with theory and hands-on clinical skills necessary for entry-level positions as a Dental Assistant. The goal of the program is to provide graduates with the knowledge and skill requisite to be eligible to test for the following:

- RDA General and Law & Ethics written Examination

You will meet these DBC requirements:

- BLS/CPR Certification
- 8 Hour Infection Control & 2 Hour CA Dental Practice Act
- Radiation Safety Course/X-ray Certificate
- Coronal Polish Certificate\*
- Pit & Fissure Sealant Certificate\*

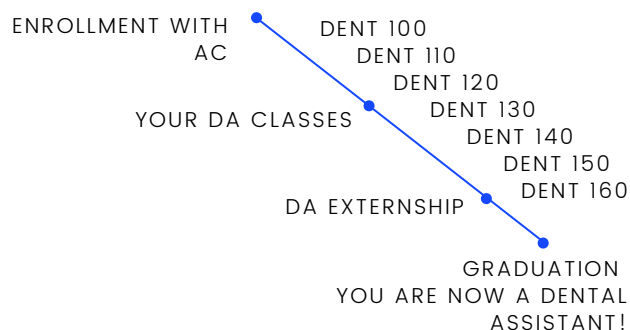

\*Practice is dependent upon successful passage of RDA state licensure

## Careers

Students who graduate have the chance of being hired with these job titles:

- **Chairside Dental Assistant**
- **Administrative Dental Assistant**
- **Hygiene Assistant**
- **Sterile Processing Technician**
- **Dental Lab Technician**

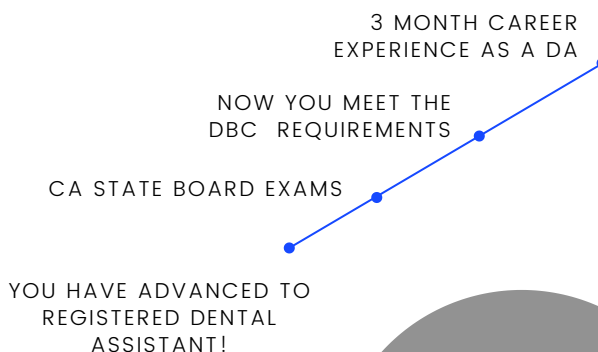

## Your Path to Success

### DA EXTERNSHIP:

Successful completion of this portion of the program marks the transition from dental assistant student to Dental Assistant. Students gain practical work experience with the opportunity to perform various clinical and administrative procedures in a supervised program for a minimum of 200 hours at an approved and assigned site.

## After Graduation

Learn.  
Advance.  
Succeed.
