Who is AC?

LEARN | ADVANCE | SUCCEED

Advanced College (AC) has built a solid foundation of academic experience based on over 40 years of teaching experience. Advanced College holds a reputation as a leading vocational school, since 1999. The faculty and administration have combined efforts to develop high quality academic programs. Advanced College strives for our students to achieve successful outcomes as we foster the community with graduates to fulfill the current market needs.

- Get hands on experience toward an Associate of Applied Science Degree in Healthcare Management, Associate of Science in Surgical Technology, Certificate in Vocational Nursing, Medical Assisting, Phlebotomy, Dental Assisting, or Computerized Accounting.
- Options available for online learning**
- Continue to have a work life balance. Our students can still work full time.*
- COE accredited
- Approved to operate through BPPE
- Financial aid available for those who qualify

*Please note that this applies to specific program selections and the student's use of time management.

**Depends on Campus and program availability, please check with your local campus for approved modality options.

Programs

We offer a range of medical programs, perfect for all types of students.

- **Vocational Nursing**
- **Associate of Science in Surgical Technology**
- **Associate of Applied Science in Health Care Management**
- **Medical Assistant**
- **Dental Assistant**
- **Phlebotomy**
- **Computerized Accounting**

Your Path to Success

Advanced College places students in onsite practices for hands-on experience. The knowledge and skills will enable graduates to qualify for work in various medical practice settings. Your externship will help you create a network of industry co-workers and give real hands on learning experience to you and your classmates.
