Vocational Nursing Certificate

MODALITY OFFERED: TRADITIONAL

This program familiarizes students with theory and hands-on clinical skills necessary for entry-level positions as a Licensed Vocational Nurse. The goal of the program is to provide graduates with the knowledge and skill requisite to be eligible to take the National Council Licensure Examination – PN.

- Successfully pass the National Council Licensure Examination for Practical Nurses (NCLEX-PN).
- Integrate foundations of nursing care at age appropriate levels for all patients.
- Utilize learned nursing skills as an entry-level vocational nurse within the scope of the Vocational Nursing Practice Act.
- Make sound judgements when incorporating legal and ethical principles in all direct and indirect patient care.
- Address emotional, socio-economic, and cultural issues for all patients.
- Utilize the nursing process as the guide for contributing to data collection, planning, implementation, and evaluation of patient care within the vocational nurses' scope of practice.
- Pursue continuing education, be active in professional groups and organizations.

Careers

Students who graduate have the chance of being hired in the following fields:

- **Convalescent Hospitals**
- **Acute Medical/Surgical Hospitals**
- **Correctional Facilities**
- **Psychiatric Hospitals**
- **Home Care Agencies**
- **Dialysis Centers**
- **Outpatient Clinics**

Your Path to Success

Advanced College places students in onsite practices for hands-on experience. The knowledge and skills will enable graduates to qualify for work in various medical practice settings including:

- inpatient
- outpatient
- hospice
- home health
- various hospital settings.
